

Have you...

Responding To Work Check!

- ✓ Ensured all work is marked and books are kept up to date.
- ✓ Made sure every child has at least one piece of focused marking every week – this requires a written comment linked to success criteria / learning objective / targets.
- ✓ Given clear next steps to support children's learning.
- ✓ Inserted success criteria for literacy and / or maths (if appropriate).
- ✓ Provided regular opportunities for peer marking and self assessment.

Literacy written work

Marking should be linked to WALT and presentation / GPS elements.

Guidance can be taken from success criteria.

Maths

✓ for a correct answer.

. to identify an incorrect answer.

**Children should be given
regular opportunities to
respond to teacher's marking.**

Targets!

Marking can always link to children's targets.

Foundation subjects.

Marking linked to spelling, grammar and punctuation; in addition to subject specific aspects.

✓ 😊 🎯 **Yipee.** These can be used within a piece of work to identify an aspect you are pleased with.

└─ Next steps should give the child something to respond to such as the three C's in maths, prove it, show me etc.

**Teacher's mark in
green.**

**Children check work /
respond in red.**
