## ICT Skills

As part of the development of our children's ICT skills (Information and Communications Technology) we have bought into an online resource called 'Purplemash'.

We were able to purchase this with money raised at the PTFA Christmas fair.

The site covers various areas and has a range of activities the children can complete. In school we will use these as part of our work on a theme or topic. If you would like to have a look you can also access this at home. It is not a standalone resource such as Mathletics, instead this has a selection of applications which can be used in different ways.

Website address:

Username and password are the same 'year1'

**Thank you for your continued support of PTFA events!**

## School Improvement

The school advisor will be in school this week working with the teachers and talking to the children.

**Important Events for this term are on the back of this newsletter.**
