Learning at home

Over the last few years children have been able to access the 'Mathletics' website both at home and at school. We have now registered for 'Spellodrome' which is linked to the Mathletics site. Your child's usual username and password is valid for both areas, they are also available from class teachers during our consultation evenings.

Many parents support this and offer a voluntary contribution of around £7 towards the annual cost. We greatly appreciate this help. Thank you.

Board Games Club

We have decided that Board Games Club will continue throughout the year. Mrs Stell will now run the club and it will be held in the ICT room. It will still be on Thursday lunchtimes at 12.30pm. Children from Neville class and Howard class are welcome.

School Improvement

On Tuesday an Ofsted Inspector will be visiting us to check up on the progress we have made with our school improvement plans.

Further details of these plans can be found on the school website.

World Book Day

Remember on Thursday we will be participating in this annual event by dressing up as our favourite book character.

Important Events for this term are on the back of this newsletter.
