Ryedale Book Festival

Last week children in Years 1 and 2 participated in an activity linked to Ryedale Book Festival. A local author has been visiting other local schools and together the children have been building up a story. Each school adds a few words and suitable illustrations and comments.

Once all schools have been visited the book is published.

We will receive further information and the cost of each book following publication.

Car Seats

There are regular occasions when we ask parents for their support to transport children to events at other locations, such as sporting fixtures. In these instances it is often difficult to ensure we have appropriate car seats / boosters for all of the children. If you have any old ones or ones that are no longer needed we would willingly accept them to keep in school for such occasions! Thank you!

Staff Update

A letter will be sent out today which provides an update about school staffing. If you do not receive a copy, please contact the school office.
