## KIRFS - Key Instant Recall Facts

The children will have a copy of the autumn term KIRFs sheet in their book bags today. All children in the school are sent home a copy of these each half term. These are sets of facts which the children (both Reception and Year 1) should be working on this half term. The targets are set out on the first page. There is also a second page which gives ideas of activities that could be done to help learn them. The facts for the Reception children are coloured in red and the Year 1's are coloured in orange. Please do not hesitate to come and see me should you have any questions about these.

## Spellings

Thank you for your continued support in helping the children with their spellings. Nearly all the children are getting them correct in our weekly tests and therefore getting Star Speller Certificates and stickers to bring home. We really appreciate your help and support with this - thank you.

## Reading Books

The system for changing reading books appears to be working - thank you. We would appreciate it if the children could put their whole book bag into the tray when they want their book changing. That way we do not get books mixed up.

## Letters / Notes

We have now put a tray on the side in the classroom for forms/ notes etc. to be placed. At register time this will then be emptied and sent to the office for processing. We hope that this system will ensure that any returned forms etc. are not missed and left in book bags.

And Finally - Photos - Here are a small selection of photos of our activities over the week, including drama, pouring and capacity play and ordering numbers.

Have a great weekend.
