

# Bulmer Class Newsletter

## Farm Trip and Tesco Trip

The children should have brought home two letters with permission slips relating to the two free school trips that we will be having in the next two weeks. We would be grateful if you could sign the permission slips and return them to school as soon as possible. As advised in the farm trip letter, the children will need named wellington boots as we may be walking a short way at the farm. We hope that these trips will consolidate the children's learning about food and where it comes.

## Bulmer Class 'Wow Tree'

You may have noticed in the cloakroom that we have made a tree. We would like to make this into our celebrations tree, to share and celebrate things that the children have achieved outside school or things that they have told you about achieving at school. Attached is a leaf. We would be grateful if you and your child could have a think about an achievement they have made. This could be related to counting, writing, a sports achievement, good manners, tidying their room etc. We would then like you to write on a leaf which when brought to school can be put on our tree. We hope our tree will soon start to 'grow' lots of leaves.

A basket of leaves and a pen will be put in the cloakroom on the classroom notice board so that you can document any other celebrations or achievements as they happen.

Thank you.

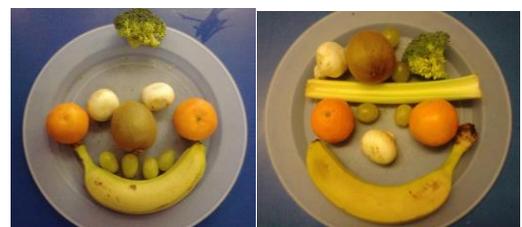

## SMIRFS

Children are now starting to achieve certificates on completion of the different stages in their SMIRFS booklets. As advised previously, these are key instant recall facts which the children need to grasp in order to help them progress in maths. We are happy for parents / carers to tick off columns one and two in the target tables, however in order for the child to fully achieve the target they need to be signed off by a member of staff (column three).
