Dear Parents / Carers,

Welcome back to the start of our summer term.

This is always a very busy and exciting term in school and we are looking forward to many great events this year.

Our whole school topic for the term is 'York'; individual class teachers will send you more information shortly about the aspects they will be covering this term. We also hope to plan our whole school educational visit for July.

It is also the term when many of our children participate in national assessments such as the phonics check for our Year 1 children and the end of Key Stage assessments for our Year 2 and Year 6 pupils. Most of the other year groups will also take part in assessments to help support the development of their learning. If you have any questions regarding these assessments please do not hesitate to contact us.

PTFA
