Bikeability Reports

On Monday 20th – Tuesday 21st April all of the Year 6's did bikeability which is where you learn to be safe on the road while riding your bike. It was so fun, my favourite part was when we went around the village. All in all it was a great experience. By Courtney.

.....

Last week the Year 6's enjoyed the North Yorkshire bikeability test. We have been taught how to ride safely and properly on the real roads and have enjoyed the sun! Everybody enjoyed it and all reached Level 2. I liked going on the bike ride and playing games. It was brilliant! By Ben W.

.....

I did my bikeability experience. I really enjoyed very minute of it but I have to admit my favourite part was cycling on the junctions and speeding down the hills around school. It was so fun! The Year 5's should be really excited about next year when they can have the chance to do bikeability. I'm upset it's over. By Georgia.
