Dear Parents / Carers,

Welcome back after our half term break.

The school topic for this half term is 'Reduce, re-use, recycle'. We hope to remind the children of the different ways we can re-use materials and how we can help our environment by recycling household products. Each class will be sending out a newsletter shortly giving further details of what they will be looking at this half term.

Safety around the school site.

Please remember do not park on or opposite the yellow zigzag lines outside the school gates. It makes it very unsafe for our children who are crossing the road, it also makes it more difficult for passing traffic to see clearly past the school entrances.

Start of the school day.

School starts promptly at 9.00am, the teachers are in the classrooms from 8.45am to supervise the children. Please try to ensure your child is on time for the start of the school day so that they do not miss any of the introductions to their learning. We would also appreciate it if the children did not arrive before 8.45am as staff are often collecting resources and preparing for the day and are not always in the classroom. There are often spaces in Breakfast Club if you need to drop your child off before 8.45am. Thank you for your understanding.

Dinner Money

Dinner money for this half term is £50.40.
Remember you can pay directly using ParentPay or via the school office.

Lost Property

We have again collected quite a few items in the lost property box in the hall. Please can we remind everyone that all items of uniform should be clearly named. Thank you!
