

HISTORY

What is it like to learn history at Sheriff Hutton Primary School?

History is taught through a theme / topic approach, where the historical event is the key focus for the half term.

Children have the opportunity to learn important knowledge and develop their historical enquiry skills.

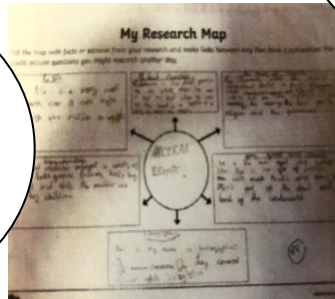

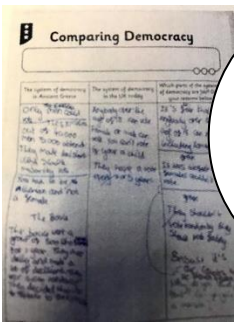

We enjoy educational visits, which help to extend our historical knowledge.

Researching different lifestyles and ways of life in the past.

We share key vocabulary in our displays and in our work.

We are aware of other peoples' opinions and values and are given opportunities to explore alternative points of view.

We welcome visitors to share their experiences of recent history.

We use ICT to complete research.

We present our work in a variety of ways – in our books, on display and through presentations to our peers.

Our locality is rich in history and we benefit from visiting a range of places.

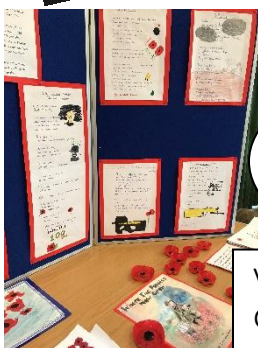

National Railway Museum

We enjoy being involved in local community events such as the village celebrations and commemorations.

Village WW1 Commemoration event

Local experts visit school.
